

MCD2664E-M Microwave

Perfect results when cooking a wider range of dishes

This appliance can be used as both a microwave and a grill. Or you can use both functions together, giving you more cooking options for optimum results.

The freedom to cook even larger dishes

In this microwave, you can also cook larger dishes, thanks to the 26l oven capacity.

Flexible cooking for each cooking phase

Offering a memory for three different cooking phases – Defrost, Cook and Keep Warm – this microwave makes the cooking process completely flexible
