

ZWT71401WA Front loaded WD

Wash and dry surprisingly large loads

While this washer dryer fits into a standard built-in niche, it actually has a large-capacity drum. It can wash 7kg at once, or wash and dry up to 4kg in one go.

Wash and dry up to 4kg at once

This washer dryer can turn up to 4kg of dirty laundry into fresh and clean clothes and linen in one step – thanks to the Wash and Auto dry function.

Cut the time you spend on the laundry in half

Speed up every cycle with this washer dryer's Quick Wash cycle. It automatically cuts your selected cycle's length in half.

More Benefits :

- Easy Iron program to reduce creasing in clothes
- Set &Go – delay the cycle until a time that suits you better
- Easy-to-read LCD display for a clear view of your load's status

Features :

- LCD display

Product Description :

Easy cleaning and easy drying – this 7kg 1400rpm integrated washer dryer is two essential appliances in one space-saving machine. There's a set and forget, wash to dry program, a delay-start option so you can wash and dry when you want, and an easy iron setting to help your clothes dry wrinkle free.
