

ENN2701AOW Combi Bottom

A new shelf design that removes restrictions to loading the fridge

Thanks to their new design, these glass shelves give you extra width and depth when packing the refrigerator. With fewer restrictions, you have more flexibility.

Greater flexibility when chilling your food in this fridge

This innovative half-width shelf in the door can slide from left to right, giving you more options when storing your food in the refrigerator.

Make your frozen food much more accessible

These drawers have clear fronts, so you can quickly look for a specific item. And when you need to move the drawer to a different place, it has ergonomic carry handles.

More Benefits :

- Two half-width drawers for sorting fresh food
