

E90OPT01 Accessory

Features :**Technical Specs :****Product Description :**

Bake like a professional with ease, every time. Enjoy freshly baked baguettes and pastries with a perfect golden crust and soft interior. The perforations in the aluminium tray enables the heat and steam to circulate freely around the dough, which creates a crispy texture while keeping the interior soft and moist. Also ideal for drying food such as apple rings or vegetables. Non-stick and easy to clean. Designed to use with Electrolux CombiSteam ovens. Dimensions: 46.6 x 38.5 cm
