

E2WIS150A2 Accessory

Features :

Technical Specs :

- Рекомендована ціна : 598.00
- Встановлення : Аксесуар
- Глибина, мм : 420
- Ширина, мм : 330
- Продуктовий код : 9029794246

Product Description :

Prevent floodings with this Safety System water inlet hose. A stop valve reacts to contact with water and stops the flow in the event of a leak. A small window turns red indicating when the hose needs to be replaced. Straight-to-hooked connector and mesh filter, with Max pressure of 60 bar and 90°C. IMQ, VDE and WRAS certified. Dimensions: 1.5 m, diameter 3/4", Ø 20/27 mm
